

# WHAT DO I PACK FOR MY DOG'S TRIP TO DOGVILLE DAYCARE & BOARDING?

## PLEASE MAKE SURE YOU BRING

### 1 YOUR DOG'S OWN FOOD WITH WRITTEN FEEDING INSTRUCTIONS

How much? How often? Special treat times?

Whenever possible, **please bring dry food in small ziplock bags, one for each meal.** If you free feed your dog, please individually pack the amount you think they will consume in a 24 hour period. This will help us measure how much they are eating while at Dogville.

- Unopened cans or packets of wet food.
- Cans or bags of other food additives (green beans, frozen vegetables, etc.)
- Individual containers or bags of home cooked or raw food, one for each meal.

### 2 SPECIAL TREATS TO BE FED AT SPECIFIC TIMES OR AFTER OUTSIDE BREAKS

If your dog has food or skin allergies, please bring their own treats.

### 3 MEDICATIONS WITH WRITTEN INSTRUCTIONS

What med at what time of day? Any meds that are only to be given as needed?

- **Medications in original bottles with directions**—please write down any instructions that are different from what is on the bottle.
- You may bring medications in pill boxes, but please bring the original bottles with them.
