Liability Waiver & Policies

1. **(Dogville Daycare & Boarding)** will endeavor to offer only sound, safe, and responsible care for my dog(s). However, I have been told that in order for my dog(s) to attend daycare or boarding that they must be vaccinated every 6 months for Kennel Cough. I also understand the risks inherent in boarding my dog, including but not limited to interactions with other dogs and potential exposure to disease and parasites and that just because my dog(s) have been vaccinated for kennel cough that does not mean they are 100% protected from getting the disease. Further, I am and will remain responsible for the actions of my dog at all times and I hereby agree to indemnify and hold harmless **(Dogville Daycare & Boarding)** of any and all claims of illness, injury, expense, costs, or damages caused by the actions of my dog while under **(Dogville Daycare & Boarding's)** care. I have been told by **(Dogville Daycare & Boarding)** and understand the inherent risks of owning a dog, including but not limited to the risk of dog bites to myself or others. I recognize that **(Dogville Daycare & Boarding)** is not responsible for any unintentional errors, omissions, or incorrect assertions. I understand that the recommendation of any other product or service is not a guarantee of my satisfaction with that product or service.

2. I authorize emergency medical care to be provided for my dog(s) by the above-named veterinarian, or an appropriate alternate to be determined by **(Dogville Daycare & Boarding)** in the event that my regular veterinarian is not available or that closer care is required. I will reimburse **(Dogville Daycare & Boarding)** for any charges related to emergency care.

I authorize **(Dogville Daycare & Boarding)** to administer or seek 1st aid and resuscitative care for my dog(s) as determined appropriate by **(Dogville Daycare & Boarding)** and I agree to indemnify and hold harmless **(Dogville Daycare & Boarding)** for all and any results thereof.

I DO NOT authorize **(Dogville Daycare & Boarding)** to administer or seek 1st aid and resuscitative care for my dog(s) as determined appropriate by **(Dogville Daycare & Boarding)** and I agree to indemnify and hold harmless **(Dogville Daycare & Boarding)** for all and any results thereof.

3. Payment Policy:

Payment is due at the time dog(s) is/are picked up from Dogville. Credit cards and cash are accepted for payment. Checks *must* be pre-approved by management. Returned checks will be charged a \$25 fee.

4. Cancellation Policy:

Cancellations are to be submitted at least 24 hours in advance of reservation.

5. Grooming Policy:

Any dog that arrives with fleas will be given a dose of Capstar at owner's expense (\$25/dose) and kept quarantined from other dogs until fleas are gone.

6. Stress-induced diarrhea. I understand that boarding dogs may arrive with or develop diarrhea as a condition of stress related to separation from an owner and the uncertainty of the owner's return. This may result in a need to supplement or modify the dog's normal diet with products that contain high fiber content and probiotics to regain the normal balance of intestinal flora during a prolonged stay. When this occurs, I understand that I will be notified by Dogville staff and that there will be an additional charge for each feeding containing these ingredients. If the diarrhea progresses to the point that medical intervention is needed, I will be informed by Dogville Staff (or my emergency contact will be notified in the event I cannot be reached) and I will be responsible for any additional costs related to veterinary care or prescribed medication.

This contract is validated by the signatures below in total and as approval for future services without additional written authorization.
